

# Oct. 17th, Orion Oaks

What is L.O.P.L.:

- Teams compete with home built trebuchets to launch pumpkins the farthest.
- Machines can be any size.
- Two divisions: 15 and under (pumpkin size 5lb) and Open (Pumpkin size 8-10 lb).
- After measured launches, spectators can see machines up close, then there is an open launch, teams can launch anything anytime.
